

Wineglass & Wildlife

Scenic flight over Freycinet Peninsula and Wineglass Bay, with Maria Island stopover and wildlife walk.

Fly over the breathtaking east coast, home to dramatic pink granite mountains, secluded bays, crystal clear waters and pristine white beaches before we set off on an exploration of the Maria Island National Park.

Tour Highlights:

- A view from above of Tasmania's most iconic white sands beach – Wineglass Bay, the aerial view is something truly spectacular and an unforgettable experience.
- Aerial view of the seal colony of Ile Des Phoques.
- Experience Maria Island's natural beauty and tranquillity, with it's rare wildlife, unique forests, crystal clear waters and the impressive scenery of Mt Maria and Bishop and Clerk peaks.
- A chance to see rare and endangered species like the Swift Parrot, Cape Barron Goose, wombats, kangaroos and the Tasmanian Devil.
